PRODUCT DESCRIPTION

058-720 Biodex Table Ultrasound

Ultra Pro 115V

Item No: 058-720

The Ultra Pro Ultrasound Table is the professionals choice when performing general ultrasound procedures, including OB/GYN. Now there is even more reason to choose an Ultra Pro Ultrasound Table.

Enhancements to the ergonomics reduce sonographer fatigue and require less patient repositioning, making it easy to achieve quality images in less time.

The redesigned Fowler back which provides the utmost patient comfort, an enhanced central floor-locking system offering easier access from around the table and an antimicrobial vinyl mattress ensuring safety against infection are all standard on the Ultra Pro.

Customization is made possible with optional items including: flush mounted side rails allowing complete patient access and safety, retractable stirrups with contoured heel cups and an extra-long extension for taller patients, an articulating scanning arm board and a headrest that drops down 15 degrees to allow for carotid studies.
