PRODUCT DESCRIPTION

3F020120 Traveler® L4 Lightweight Wheelchairs
The Traveler L4 is a high strength, lightweight Medicare approved K0004 wheelchair designed for both the home and rehab markets. Weighing less than 34 lbs, it features a dual position axle, multi-position caster forks for 18 or 20 inch seat height adjustment and offers flip-back desk and full length arm options for easy lateral movement. Precision bearings and non-marking polyurethane rear tires also expand the longevity of the wheelchair.

Standard Features
• Available in 16", 18", 20" seat widths. Also 18" and 20" widths with 18" seat depth
• Quick release axle is available for some models
• Weighs less than 34 lb without front rigging
