PRODUCT DESCRIPTION

CPR Manikins with Zipper Bag 7/pack

These CPR Prompt® Combo Training Manikins help students practice the Heimlich maneuver, abdominal thrusts, CPR, and mouth-to-mouth breathing techniques. The set includes both adult/child and infant manikins with anatomically correct features for a lifelike learning experience. Make sure the students in your class are prepared to save lives and respond calmly in the face of crises. Between instruction sessions, simply wash the manikins' heads in a

dishwasher to prevent cross-contamination.

Realistic anatomical markings, including carotid arteries, navels, rib cages and chest notches, make CPR training sessions feel like the real thing

Manikins feature head tilt and chin lift capabilities, so trainees can simulate opening the airway

Dishwasher-safe heads make cleaning the adult/child and infant manikins simple for hygienic use

Audible compression clicker informs users that they are using proper technique

Includes five adult/child manikins, two infant manikins, 50 face shields/lung bags for adults and children, 20 face shields/lung bags for infants and a nylon carry bag

Package of seven CPR Prompt® manikins includes five adult/child manikins, two infant manikins, 50 adult/child face shield/lung bags, 20 infant face shield/lung bags, and nylon carry case
