PRODUCT DESCRIPTION

Deluxe Aluminum 12" rear wheel Transport Chair
The Everest & Jennings Transport Chair is designed as an affordable patient transfer device. Its compact size and lighter weight allow a companion to lift and store the chair with ease.

Standard Features:
• Available in 19" seat width with black nylon upholstery
• Aluminum frame in stylish color options of Black and Blue Celeste
• Handle mounted attendant locks with cable
• 12” flat free rear wheels with 8" swivel front casters
• Fold-down back makes transport and storage easy
• Black padded nylon upholstery is flame retardant
• Fixed full length padded arms provide user comfort
• Tool-free adjustable detachable swingaway footrests with composite footplates
• Includes carry straps on seat for ease of lifting and folding and positioning belt 42" length
• Comes standard with 3” webbing black nylon leg strap with adjustable loops to slide over installed footrests
• Attendant wheel locks on both rear casters for better control and access by companion
