These disposable plastic gloves are clear in color, tissue thin and have an embossed texture for comfort. Made from high-density polyethylene, these Emerald gloves can be used for food processing and handling, applying adhesives, dispensing drugs, painting, household maintenance, cleaning, polishing, gardening and yard work, grocery stores, restaurants, arts and crafts, decorating, and more.

Disposable elbow length gloves are ideal for light food applications like mixing salads or kneading bread dough and can be put to good use in any cafeteria or restaurant.

Federal Food, Drug, and Cosmetic Act (FD&C Act)

The FD&C Act are laws passed by Congress giving authority to the U.S. Food and Drug Administration (FDA) to oversee the safety of food, drugs, and cosmetics. All Emerald Professional glove components are in compliance with provisions of the FD&C Act, which allow repeated use in direct contact with food.
