PRODUCT DESCRIPTION

P7250 Polished Melange Tailored Funnel Neck Jacket

Style: P7250

Refined style with a flattering silhouette- our tailored funnel neck jacket is the contemporary edition of the standard scrub jacket. Its strategic design and convenient storage give it heightened functionality- this jacket is a sleek staple for the modern medical professional.

**DETAILS:**

Tailored fit

Funnel neck with 2-way separating zipper for versatile styling

3 Pockets: 2 angled with tech storage, and 1 zipper on-seam chest pocket

Discreet on-seam ID slit

Slim sleeves

CF length is 26.5" in Size S

A more structured silhouette than our Solid Pro Collection, our 4-way stretch melange fabric has a cool hand and crisp athletic feel that will leave you looking tailored and sharp all day long.

FABRIC:

Polished Melange -91% Polyester, 9% Spandex
