PRODUCT DESCRIPTION

Parker Protex Disinfectant Spray 12 oz

The Protex disinfectant spray is meant to be used on ultrasound equipment such as transducers and probes. This hospital-grade spray kills H1N1 Influenza virus, Staphylococcus, Pseudomonas, Salmonella, Fungi, Bacteria, and Viruses. In accordance with CDC guidelines, the Protex disinfectant spray can be used against 2019 Novel Coronavirus when used in accordance with directions for use against Norovirus on hard, non-porous surfaces.
