PRODUCT DESCRIPTION

Power Blue 5 Mil Powder-Free Vinyl Gloves

4702 Medium

4703 Large

4704 X-Large

Emerald Power Blue powder-free 5 mil gloves are ideal for food processing and other non-medical uses. Thicker than our Shannon vinyl gloves, they are intended for applications where

they are to be worn for extended periods of time. Their distinctive blue color makes them easy to identify, and their non-latex formula makes them suitable for potential users who suffer from latex allergies. The comfortable Power Blue powder-free gloves have a beaded cuff for extra strength and tear resistance. 100 gloves per dispenser box, 10 boxes per case.

Federal Food, Drug, and Cosmetic Act (FD&C Act)

The FD&C Act are laws passed by Congress giving authority to the U.S. Food and Drug Administration (FDA) to oversee the safety of food, drugs, and cosmetics. All Emerald Professional glove components are in compliance with provisions of the FD&C Act, which allow repeated use in direct contact with food.
