PRODUCT DESCRIPTION

Pro Battery-Powered Floor Lift
LF500 Pro Battery-Powered Floor Lift
DSC270 LIFT DIGITAL SCALE 600 LB
Lumex floor lifts are designed to provide safer and more secure transfers of patients by caregivers. Lumex lifts are very sturdy and easy to use.

Features:
• Heavy gauge steel construction with white powder-coated finish and rubber-coated low base legs protect furniture and walls
• Swan neck enables outstanding lifting range of 55.5"
• Six point spreader bar with 360º rotation accommodates 2-, 4-, or 6-point slings
• Large, easy to grip padded handles for easy maneuverability
• Powered high/low and base open/close simplifies operation
• Ergonomic hand pendant with hook
• Premium electronics with LCD display. Lift can be operated via the control box or the hand pendant
• Emergency stop button and manual lowering mechanism
