PRODUCT DESCRIPTION

PURELL PROFESSIONAL ADVANCED HAND SANITIZER GEL, REFILL, 1200 ML FOR ES8 TOUCH-FREE DISPENSER

Purell 7760-02 Details

Ready to ship the next day.

Ensure superior hand hygiene in your establishment with this Purell® 7760-02 Advanced Professional ES8 fragrance-free hand sanitizer gel! This hand sanitizer kills more than 99.99% of germs and bacteria fast, washes away common pathogens, and is perfect for restrooms and kitchens at schools, restaurants, and hotels. This sanitizer easily outperforms other hand

sanitizers, plus it is gentle on hands, maintains your skin's health, and is fragrance-free. Each refill has its own coin cell battery so your dispenser will never run out of power, and it supports LEED certification criteria! Use it with a compatible ES8 hand sanitizer dispenser (sold separately).

This hand sanitizer comes in a durable, PET bottle and is better for the environment than traditional plastic soap bottles. With patent-pending Controlled Collapse™ technology, the bottle will even keep its shape longer while emptying, making it more visually appealing. Plus, the bottle's At-A-Glance™ design allows you and your employees to easily monitor the fill level. When it is empty simply remove the pump, recycle the bottle, and replace it with a new one! Constructed with Sanitary Sealed™ lock to eliminate germs and contaminants, this sanitizer refill will help maintain your clean facility. shipping process in the warehouse takes at least a week.
